My hair, my hair, my hair, how does it look? And, yes, I am naturally redish blonde and am as smart as a horse. Oh, my hair, in the wind it's hard to control, and I just hate bursts of wind through the farm. As if I have time to fix it all day long. Eventually I just give up and let it be. Oh well, tomorrow's another day!

You should know that I'm the fastest of all the minis to approach the kids. You've got to be quick to get all the loving and all the treats. The others don't even stand a chance around my stealth like movements.

I love to eat, period-end of story! My favorites you ask? Well I like apples, pears, carrots, watermelon, cantaloupe, hamburger and well pretty much anything that can be eaten, that I can get that the others don't. I feel I deserve special treatment since I'm the only female mini and have to hang out with all these boys.

Oh, that wind, got any hairspray on you?
