The CHILDREN'S Home

Grant Writer – Contractual Position (Project based)

The Children's Home is a nationally accredited private, not-for-profit, multi-service/site child and family organization. We are seeking an experienced professional with excellent verbal and written communication skills to research and write proposals and reports for public and private funding. Individual will serve as editor and/or principal writer for funding proposals from corporations, foundations and other organizations. Knowledge of various funding streams and proven proposal writing skills are required. Qualified candidates will be self-motivated and able to facilitate program planning, proposal development and reporting.

Requirements:

Bachelor's degree required with 3-5 years of experience. Knowledge of child welfare, including contractual relationships and funding preferred.
